CITY HALL COUNCIL CHAMBERS
SANTA MARIA, CALIFORNIA

JULY 16, 2013

INVOCATION:
Greg Burtnett of Grace Baptist Church gave the invocation.

PLEDGE OF ALLEGIANCE TO THE FLAG:
Councilmember Boysen led the Pledge of Allegiance.

CALL TO ORDER
Mayor Patino called the meeting to order at 6:30 p.m.

ROLL CALL:
MEMBERS PRESENT
Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino.

STAFF MEMBERS PRESENT
City Manager Haydon, City Attorney Trujillo, Director of Community Development Appel, City Librarian Housel, Police Chief Martin, Fire Chief Orr, Director of Recreation and Parks Posada, Director of Administrative Services Visé, Director of Public Works/City Engineer Whitehead, Utilities Engineer Kahn, Deputy City Manager Barnhard, Deputy City Manager Lara, and Chief Deputy City Clerk Garietz.

1. PROCLAMATIONS/PRESENTATIONS:

A. RESOLUTION FOR BATTALION CHIEF SCOTT JOHNSON
Councilmember Orach read Resolution No. 2013-68 recognizing and commending Battalion Chief Scott Johnson for his loyal and dedicated service to the Fire Department, the City and the community, congratulating him on his retirement and wishing him and his family continued health and happiness.

Battalion Chief Scott Johnson spoke about his work with the Fire Department and the accomplishments which have occurred in the Fire Department since he began with the City. He thanked Tracy Arias and Kristie Toles for their help over the years. He also thanked the Command Staff and Fire Chief Orr.

Fire Chief Orr commented that Battalion Chief Johnson was a great addition to the Fire Department and that he will be greatly missed. Fire Chief Orr wished him well in the next chapter of his life.

Councilmember Orach commented that Battalion Chief Johnson was instrumental in obtaining the two iron pieces of the World Trade Center for 9-11 memorials at the new Fire Station No. 3 and No. 5.

Resolution No. 2013-68 was adopted commending Battalion Chief Scott Johnson on motion by Councilmember Orach, seconded by Councilmember Boysen, and carried on the following vote:

AYES:	Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES:	None
ABSENT:	None
ABSTAIN:	None

Resolution No. 2013-68 adopted. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA MARIA, CALIFORNIA, COMMEMORATING FIRE BATALLION CHIEF SCOTT JOHNSON FOR HIS YEARS OF DEDICATED SERVICE.

B. VOLUNTEER OF THE MONTH
Lola Dority was recognized as the Library Volunteer of the Month for July 2013. Councilmember Zuniga presented a gift to Ms. Dority for her 26 years of volunteer service in the Library, and for promoting children's literacy in our community.

Ms. Dority thanked the Library staff for their support over the years.

City Librarian Housel thanked Ms. Dority for her dedication to the children through the years.

2. PUBLIC COMMENT:
Mark Rademaker spoke about his religious beliefs.

Matt Spence spoke about anonymously reporting crimes, and his experience after having come forward to report a crime.

Ernest Armenta spoke about resolutions adopted at the last Council meeting to increase fees for certain Landscape Maintenance Districts by two percent. He questioned why the Southeast Landscape District

was not going to be required to pay the increase of two percent. He also commented on wages paid to C & D Zodiac employees.

Jose Luis Castellanos, representing the League of United Latin American Citizens (LULAC), spoke against the resolution allocating $53,397 to the Police Department under the ABC Grant Assistance Program. He spoke about crimes committed in Santa Maria that were not perpetrated by Hispanics.

Judith Monte, representing the Food Bank, spoke about the Picnic in the Park event and of the park sites where they distribute food to needy individuals. She mentioned the significant contribution from WalMart who gave a $45,000 Fighting Hunger in America grant which in addition to another $75,000 grant from WalMart helps to build a food-secure community.

Walter Taylor spoke about a requested status report on the development in Area 9. He stated that he had been told by Mr. Haydon that the status report would be on the Council's agenda for this meeting, and it was not. He indicated that a letter from Mr. Haydon and status report from Director of Community Development Appel side-stepped issues that he brought up him in an email. He expressed concerns with how agenda items were added for the Council's consideration. He also expressed concerns about fluid and gas migration from abandoned oil wells.

City Manager Haydon responded to comments made by Mr. Taylor and his request for a status report on the Area 9 projects being developed presently. City Manager Haydon said he checked with Director of Community Development Appel and found that there were no projects for development at this time. City Manager Haydon stated that agenda items were not brought to the City Council for discussion, but for Council action. He commented that Mr. Taylor's particular issue was about oil development in that area. He indicated that if a project for oil development were brought forward, residents within 300 feet would be notified. If a project was approved for oil development, any concerns the residents had could be addressed by appealing to the Planning Commission. If the Planning Commission took any action, an appeal could be made to the City Council. A letter was mailed to Mr Thompson and Mr. Taylor indicating that there were no projects pending at this time. He also indicated in the letter that a neighborhood meeting could be arranged for the residents in the area.

Councilmember Boysen commented that a neighborhood meeting was a good idea, and asked about expanding the 300 square foot distance for legal noticing. He asked what the procedure was if the City wanted to expand the distance.

Director of Community Development Appel responded that State law requires the City to provide one form of notice; the City actually provides three. A legal notice is published in the newspaper, the property is posted, and a notice is mailed to addresses within 300 feet of the affected property. Citizens also may request to be added to the distribution list for the Planning Commission agendas, thereby receiving notice of all petitions being considered by the Planning Commission.

Councilmember Boysen asked if an item needed to be agendized to increase the radius for noticing for the Westgate development.

City Attorney Trujillo stated that this item was not agendized, and therefore limited to a brief discussion. He explained that the procedure would be to take a vote to agendize the item for future discussion to consider increasing the 300 foot radius for noticing. The Council would have the discretion to go beyond what State law requires. He does not advise changing State law. He explained that it would be difficult to create an exception in the Municipal Code.

Councilmember Boysen indicated that he would like to have a discussion with City Manager Haydon and Director of Community Development Appel, and then bring something back for suggestions at a future meeting.

Mayor Patino stated that a neighborhood meeting may bring about other concerns that the Council may want to discuss.

City Manager Haydon stated that he would follow up with Mr. Taylor and Mr. Thompson about putting together a neighborhood meeting.

CONSENT CALENDAR:
Councilmember Boysen asked to comment on Items 3B and 3E.

Item 3B – Minutes of the July 2, 2013
Councilmember Boysen requested that a correction be made to the minutes on page 7, Oral Reports by Councilmembers, under his comments the word "PG&E" should be "Santa Maria Energy."

Item 3E – Police Department ABC Grant

Councilmember Boysen asked for clarification that the allocation was a grant to the City, and there was no cost to the City.

Police Chief Martin responded that it was annual grant from the State of California that many police departments receive to aid in providing enforcement relative to alcohol and beverage control.

Mr. Green asked if the grant was also used for educational purposes.

Police Chief Martin responded that the grant was also used to educate high school students, and to demonstrate the ill affects of drinking alcohol.

Consent Calendar Items 3A through 3G were approved as amended on motion by Councilmember Orach, seconded by Councilmember Boysen, and carried on the following vote: 5-0

AYES: Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino

Councilmember Orach nominated Donna Wolcott.
Councilmember Boysen nominated Greg Burtnett.
Councilmember Zuniga nominated Rosalie Marquez.
Councilmember Green nominated Vincent Thomas.
Mayor Patino nominated Tim Seifert.

Public Input
Ernest Armenta spoke about individuals who have been appointed to boards or committees not being allowed to vote for grants for organizations that they were affiliated with.

Councilmember Orach replied that Avery Gallas and Jacqueline MacNeil were applying for the Library Board, and not the Block Grants Advisory Committee.

On motion by Mayor Patino, seconded by Councilmember Boysen, and carried unanimously that Donna Wolcott, Rosalie Marquez, and Tim Seifert were reappointed; and Vincent Thomas and Greg Burtnett were appointed to the Block Grants Advisory Committee to serve a term of three years ending in July 2016.

Library Board of Trustees
Two terms expire on the Library Board of Trustees at the end of July 2013. Applications were received from incumbents Avery Gallas and Jacqueline MacNeil. No other applications were received. Appointments are made by Mayor Patino with ratification by the City Council.

Central Coast Commission for Senior Citizens, Area Agency on Aging
Incumbent Lee (Lino) Diaz did not reapply and no other applications were received. Insufficient applications were received during the application period, and staff recommended that the vacancy be readvertised.

On motion by Mayor Patino, seconded by Councilmember Orach, and carried unanimously to direct staff to readvertise the vacancy on the Central Coast Commission for Senior Citizens, Area Agency on Aging.

PUBLIC HEARING:

5. ANNUAL WEED ABATEMENT PROGRAM ASSESSMENTS. Director of Public Works/City Engineer Whitehead gave a presentation as detailed in the written Council Agenda Report. The City Council will consider protests to the proposed assessments for the City's Annual Weed Abatement Program to be collected as part of the 2013-14 property tax rolls. On March 20, 2013, Streets and Facilities staff mailed an abatement letter to owners of 243 properties. The letter informed the property owners of the Weed Abatement Program that their property was in need of abatement. By signing and returning the mailed abatement letter to the Streets and Facilities Supervisor, property owners indicated their intention to accomplish abatement on their own and to continually abate nuisances in the event of recurrence. The abatement letter gave a deadline of April 12, 2013, for property owners to notify the

Streets and Facilities Supervisor of their intent to accomplish their own abatement. After receiving notification, property owners themselves abated 229 lots. The City's contractor abated weeds and debris on the balance of 14 lots, as a comparison, the City's contractor abated 17 lots last year. The Streets and Facilities Supervisor developed a report of costs listed by assessor parcel number for the 14 lots abated. The administrative fee calculation method is based on a straight percentage of the abatement costs and generally covers the costs associated with the work required to administer the program, secure the services of contractors, and measure the areas of abatement for payments to the contractors. The cost of abatement constitutes a special assessment against the properties. Charges for the service will be added to the property tax bill for each parcel abated by the City. Work performed on City-owned properties is paid out of funds budgeted for this purpose.

Public Hearing
There were no written communications received.

Mayor Patino opened the public hearing at 7:30 p.m.

There being no requests to speak, Mayor Patino closed the Public Hearing at 7:31 p.m.

Councilmember Discussion
There was no discussion from Councilmembers.

Resolution Nos. 2013-72 was adopted confirming the report of weed abatement costs for assessment purposes, and directing the costs to be submitted to the Santa Barbara County for collection with the 2013-14 property taxes on motion by Councilmember Orach, seconded by Councilmember Zuniga, and carried on the following vote: 5-0

AYES:	Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES:	None
ABSENT:	None
ABSTAIN:	None

Resolution No. 2013-72 adopted. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA MARIA, CALIFORNIA, CONFIRMING REPORT OF WEED ABATEMENT COSTS FOR ASSESSMENT PURPOSES BY THE STREETS AND FACILITIES SUPERVISOR.

REGULAR BUSINESS:

6. FINDING OF PUBLIC CONVENIENCE IN THE MATTER OF THE ISSUANCE OF A TYPE 21 LICENSE (OFF-SALE GENERAL) ALCOHOLIC BEVERAGE LICENSE FOR WALMART NEIGHBORHOOD MARKET #5659, 500 SOUTH BLOSSER ROAD, SP-2012-0035. Director of Community Development Appel gave a presentation as detailed in the written Council Agenda Report. Staff recommended that City Council make certain findings and a determination that public convenience will be served in the matter of the issuance of a Type 21 license (off-sale general) alcoholic beverage license for the sale of packaged beer, wine, and distilled spirits, at the Wal-Mart Neighborhood Market at 500 South Blosser Road. On May 7, 2013, the City Council discussed the application from the WalMart Corporation for the sale of alcoholic beverages at the 500 South Blosser Rd location. The discussion was continued to tonight due to concerns shared by Council at that hearing. The application presented tonight has been modified to address each of the issues. The first of the issues was that the store hours for sale of alcoholic beverages were modified to the hours of 8:00 a.m. through 10:00 p.m., Sunday through Thursday, and from 8:00 a.m. through 12:00 midnight on Friday and Saturday. The second modification was that all distilled alcoholic beverages would be kept behind a locked display, and the third was that single unit sales of beer, wine coolers, etc., of 16oz or less may not be sold separately. The finding of public convenience is subject and in accordance with the project description, method of operation, hours of operation, and floor plan descriptions. Staff also recommended that the Council make the findings that 1) the Department of Alcoholic Beverage Control (ABC) had determined that the subject application required consideration of a finding of Public Convenience or Necessity; 2) the beer and wine shall be displayed only within the area depicted on the attached floor plan, with the alcoholic beverages occupying no more than 450 square feet of the 33,326-square-foot WalMart Neighborhood Market; 3) the area within WalMart Neighborhood Market to be used for the display of alcoholic beverages represents less than 1.5 percent of the total floor area of the store; and 4) the Police Department had no objection to issuance of the license as stated in a memo dated April 18, 2013.

Public Input
Tracy Owens, representing the Applicant, shared a brief PowerPoint with the City Council regarding the project and WalMart's modifications to accommodate Council's concerns. She mentioned that WalMart also has a training program in place to educate its cashiers in selling alcohol responsibly. Every

cashier must score 100 percent and the test is repeated annually. The cash registers are also programmed not to sell alcohol until the age of the buyer has been input, as well as being programmed to not allow the sale of alcohol during the restricted hours.

Ralph Quintana, Customer Service Representative for WalMart, spoke about the cashiers being required to take the computer-based alcohol beverage training and WalMart's zero tolerance for not adhering to the policies.

Ernest Armenta spoke about how he visited the WalMart Store and was favorably impressed. He spoke in favor of the ABC license for WalMart.

Jose Luis Castellanos representing LULAC spoke against issuance of the ABC license for WalMart, and indicated that the City did not need anymore outlets for providing alcohol in areas where there was already a lot of locations that sell alcoholic beverages.

Jesus Medrano spoke in favor of issuance of the ABC license. He mentioned that he appreciated the convenience of shopping at the WalMart in the neighborhood and the community.

Marcos Cruz, Manager of the WalMart at the location in question, spoke in favor of issuance of the ABC license. He mentioned that he was proud of the store and being able to serve the community's needs. He mentioned the security measures being taken at the store were that the parking lot would be well-lit and security cameras were placed throughout the store.

Ann Medrano, employed at WalMart for 13 years, spoke in favor of issuance of the ABC license. She was confident that her two under-age sons would not be able to purchase alcoholic beverages at their stores. She also mentioned the training was for every employee, not just the cashiers.

Bertha Lerma, employee of WalMart at the Blosser location, spoke in favor of the issuance of the ABC license.

Judy Saki, a customer of WalMart Blosser Store, spoke in favor of issuance of the ABC license.

Exparte Communications
Councilmember Boysen indicated that he had exparte communications with WalMart representatives after their presentation in May.

Council Discussion
Councilmember Boysen commented that he received some feedback that his comments were in some way profiling and/or stereotyping the neighborhood. He assured the public that that was not his intention, and that his concern was only about the amount of saturation of liquor licenses in the area. He reminded the public that the Council had approved an ABC license issuance at another store where there was not as much saturation of liquor licenses. He mentioned that he agreed with Mr. Castellanos that more outlets were not needed for providing alcohol to the public in areas that are already saturated with liquor licenses. Stores did need to be competitive. Councilmember Boysen indicated he was in support of the issuance of the Type 21 ABC license.

Councilmember Zuniga expressed her appreciation for WalMart's efforts in this project, and would support the issuance of the ABC license.

Councilmember Orach commented that he had a concern that the City was stereotyping the neighborhood, and concerned about restricting sales after 10:00 p.m. but everyone else is able to sell until 2:00 a.m. He also indicated his support of the issuance of the ABC license.

Councilmember Green commented that most stores the size of WalMart sell alcohol. People need to be individually and collectively responsible for their alcohol use.

Mayor Patino spoke of her appreciation for the concerns WalMart addressed and for their internal policies and procedures for training employees to sell alcohol responsibly.

Councilmember Orach commented about the ABC grant for the Police Department and how they would be monitoring all stores selling alcoholic beverages as well as the WalMart stores.

Councilmember Boysen made a motion to make a determination for the finding of a public convenience in the issuance of a Type 21 License to WalMart at 500 South Blosser Road as conditioned, seconded by Councilmember Orach, and carried on the following vote:

AYES: Councilmembers Boysen, Green, Orach, Zuniga and Mayor Patino
NOES: None
ABSENT: None

CITY MANAGER'S REPORT
City Manager Haydon reported on items anticipated for the August 6, 2013, City Council Meeting to include three consent items, one for a grant from the Office of Traffic Safety for the Police Department, a bid award for the Stowell Road Repairs, a call for bids for Irrigation Line Extensions, and a Regular Business item regarding the Fallas Department Store that was continued to the meeting of August 6.

ORAL REPORTS BY COUNCILMEMBERS REGARDING AB1234
Councilmember Zuniga reported that she attended the Concerts in the Park, a Transportation Committee meeting, a Pre-Opening Reception hosted by the Santa Barbara County Fair Board, a New Councilmember Orientation with Fire Chief Orr, and a Santa Maria Valley Historical Society event. She also complimented Director of Recreation and Parks Posada for the attractive appearance of the Sears parking lot.

Councilmember Orach reported that he attended the Pre-Opening Reception hosted by the Santa Barbara County Fair Board and the Santa Maria Valley Water Basin Management annual report meeting which indicated that the quality of water had greatly improved since the importation of State water. He asked Utilities Engineer Kahn to comment on the meeting.

Utilities Engineer Kahn commented that along with the improvement in the quality of water, the City was not going into overdraft. The quantity of water has remained stable. He stated the report was a good report.

Councilmember Green reported that he has attended the Chamber of Commerce Transportation Committee Meeting, the 2013 Santa Barbara County Fair Pre-Opening Reception, a meeting with the Southern California Gas Company, and a New Councilmember Orientation with Fire Chief Orr. He also reported on upcoming events that he would be attending the Summer Channel Counties Division Dinner in Goleta, the City Council Tour of Windset Farms, and the Conoco Phillips Sumps Removal Project Update briefings meeting.

Councilmember Boysen reported that he attended many water meetings in the last few weeks, and mentioned that the State Water Project contract will need to be extended so that bond financing can be attained to finance needed line improvements. He mentioned that there was concern from some people in Santa Barbara County that the State Water Project contract was encouraging growth in Santa Barbara County. He indicated that that a movement was being generated to try to convince the Santa Barbara County Supervisors to vote against an extension of the State Water Project contract. Councilmember Boysen said he had been meeting with Central Coast Water Authority and individual Supervisors to encourage the approval of the extension, but at least one additional vote was needed to assure the extension. Since the bonds are almost paid off, the City had too much money invested in the State Water Project to have it not continue at this point. If the extension was not approved, all the money that has invested in the infrastructure for getting the State Water to Santa Maria would be wasted. Councilmember Boysen encouraged everyone to take every opportunity to encourage the Santa Barbara County Supervisors about the benefits of State Water, the environmental benefits of State Water, the reliability of State Water and the importance of State Water to Santa Maria as well as to the County of Santa Barbara.

Mayor Patino reported that she attended a meeting with Eric Taylor and Urban Planning Concepts, attended the Santa Barbara Fair Pre-Opening Reception, attended a Southern California Gas Company update meeting, met with members of the Food Bank and WalMart at Grogan Park where they were feeding children box lunches and WalMart made a donation to the Food Bank. Mayor Patino also attended the "Our Town" Radio Show where they discussed the Santa Maria Valley Beautiful Awards Program, the quarterly Mayor's and Manager's meeting in Buellton, the Pioneer Picnic, the Ben Heighes Program on KUHL, the SBCAG meeting regarding traffic improvements and the possibility of the State wanting to put a round-about on Highway 166 at Black Road and Main Street.

ADJOURNMENT:
There being no further business to come before the City Council at this time, Mayor Patino declared the meeting of the City Council adjourned at 8:16 p.m.
